

§ 542.407

§ 542.407 Payments from blocked accounts to satisfy obligations prohibited.

Pursuant to § 542.201, no debits may be made to a blocked account to pay obligations to U.S. persons or other persons, except as authorized by or pursuant to this part.

NOTE TO § 542.407: *See also* § 542.502(e), which provides that no license or other authorization contained in or issued pursuant to this part authorizes transfers of or payments from blocked property or debits to blocked accounts unless the license or other authorization explicitly authorizes the transfer of or payment from blocked property or the debit to a blocked account.

§ 542.408 Charitable contributions.

Unless specifically authorized by OFAC pursuant to this part, no charitable contribution of funds, goods, services, or technology, including contributions to relieve human suffering, such as food, clothing, or medicine, may be made by, to, or for the benefit of, or received from, the Government of Syria or any other person whose property and interests in property are blocked pursuant to § 542.201(a). For the purposes of this part, a contribution is made by, to, or for the benefit of, or received from, the Government of Syria or any other person whose property and interests in property are blocked pursuant to § 542.201(a) if made by, to, or in the name of, or received from or in the name of, such a person; if made by, to, or in the name of, or received from or in the name of, an entity or individual acting for or on behalf of, or owned or controlled by, such a person; or if made in an attempt to violate, to evade, or to avoid the bar on the provision of contributions by, to, or for the benefit of such a person, or the receipt of contributions from such a person.

§ 542.409 Credit extended and cards issued by U.S. financial institutions.

The prohibition in § 542.201 on dealing in property subject to that section and the prohibition in § 542.207 on exporting services to Syria prohibit U.S. financial institutions from performing under any existing credit agreements, including, but not limited to, charge cards, debit cards, or other credit facilities issued by a U.S. financial institution to

the Government of Syria or any other person whose property and interests in property are blocked pursuant to § 542.201(a).

§ 542.410 Setoffs prohibited.

A setoff against blocked property (including a blocked account), whether by a U.S. bank or other U.S. person, is a prohibited transfer under § 542.201 if effected after the effective date.

§ 542.411 Entities owned by a person whose property and interests in property are blocked.

A person whose property and interests in property are blocked pursuant to § 542.201(a) has an interest in all property and interests in property of an entity in which it owns, directly or indirectly, a 50 percent or greater interest. The property and interests in property of such an entity, therefore, are blocked, and such an entity is a person whose property and interests in property are blocked pursuant to § 542.201(a), regardless of whether the entity itself is listed in the Annex to Executive Order 13572, the Annex to Executive Order 13573, or the Annex to Executive Order 13606, or designated pursuant to § 542.201(a).

NOTE TO § 542.411: This section, which deals with the consequences of ownership of entities, in no way limits the definition of the Government of Syria in § 542.305, which includes within its definition other persons whose property and interests in property are blocked but who are not on the SDN list.

§ 542.412 Transactions relating to Syrian petroleum or petroleum products from third countries; shipments.

(a) Transactions relating to goods containing petroleum or petroleum products of Syrian origin are not prohibited by § 542.208 or § 542.209 if the petroleum or petroleum products have been incorporated into manufactured products or substantially transformed in a third country by a person other than a United States person.

(b) Transactions relating to petroleum or petroleum products of Syrian origin that have not been incorporated into manufactured products or substantially transformed in a third country, including those that have been

transshipped through a third country, are prohibited.

§ 542.413 Facilitation; change of policies and procedures; referral of business opportunities offshore.

With respect to § 542.210, a prohibited facilitation or approval of a transaction by a foreign person occurs, among other instances, when a United States person:

(a) Alters its operating policies or procedures, or those of a foreign affiliate, to permit a foreign affiliate to accept or perform a specific contract, engagement or transaction involving Syria or the Government of Syria without the approval of the United States person, where such transaction previously required approval by the United States person and such transaction by the foreign affiliate would be prohibited by this part if performed directly by a United States person or from the United States;

(b) Refers to a foreign person purchase orders, requests for bids, or similar business opportunities involving Syria or the Government of Syria to which the United States person could not directly respond as a result of the prohibitions contained in this part; or

(c) Changes the operating policies and procedures of a particular affiliate with the specific purpose of facilitating transactions that would be prohibited by this part if performed by a United States person or from the United States.

Subpart E—Licenses, Authorizations, and Statements of Licensing Policy

§ 542.501 General and specific licensing procedures.

For provisions relating to licensing procedures, see part 501, subpart E of this chapter. Licensing actions taken pursuant to part 501 of this chapter with respect to the prohibitions contained in this part are considered actions taken pursuant to this part. General licenses and statements of licensing policy relating to this part also may be available through the Syria sanctions page on OFAC's Web site www.treasury.gov/ofac.

§ 542.502 Effect of license or authorization.

(a) No license or other authorization contained in this part, or otherwise issued by OFAC, authorizes or validates any transaction effected prior to the issuance of such license or other authorization, unless specifically provided in such license or authorization.

(b) No regulation, ruling, instruction, or license authorizes any transaction prohibited under this part unless the regulation, ruling, instruction, or license is issued by OFAC and specifically refers to this part. No regulation, ruling, instruction, or license referring to this part shall be deemed to authorize any transaction prohibited by any other part of this chapter unless the regulation, ruling, instruction, or license specifically refers to such part.

(c) Any regulation, ruling, instruction, or license authorizing any transaction otherwise prohibited under this part has the effect of removing a prohibition contained in this part from the transaction, but only to the extent specifically stated by its terms. Unless the regulation, ruling, instruction, or license otherwise specifies, such an authorization does not create any right, duty, obligation, claim, or interest in, or with respect to, any property which would not otherwise exist under ordinary principles of law.

(d) Nothing contained in this part shall be construed to supersede the requirements established under any other provision of law or to relieve a person from any requirement to obtain a license or other authorization from another department or agency of the U.S. Government in compliance with applicable laws and regulations subject to the jurisdiction of that department or agency. For example, exports of goods, services, or technical data which are not prohibited by this part or which do not require a license by OFAC, nevertheless may require authorization by the U.S. Department of Commerce, the U.S. Department of State, or other agencies of the U.S. Government. *See also* § 542.701(f).

(e) No license or other authorization contained in or issued pursuant to this part authorizes transfers of or payments from blocked property or debits to blocked accounts unless the license
